1/5/15

A1 Elkesley Junctions Improvement Scheme

We write to advise you of the upcoming full closures of the A1 carriageway. These closures are mainly required to remove the temporary working platforms to the bridge which cannot be done safely with traffic running below.

From		To		Details	
Tues 5 th May	20:00	Wed 6 th May	06:00	Southbound	Road Closed
Wed 6 th May	20:00	Thurs 7 th May	06:00	Southbound	Road Closed
Thurs 7 th May	20:00	Fri 8 th May	06:00	Northbound	Road Closed
Fri 8 th May	20:00	Sat 9 th May	09:00	Northbound	Road Closed

Please note there will also be some overnight single lane running during the week commencing 11th May

We again apologise for any inconvenience that these works cause and we thank you for your continued patience. We don't expect these operations to generate a lot of noise and we will attempt to minimise this as much as possible.

The southbound A1 will be closed from the exit slip at Apleyhead to the entry slip at Tywford Lane and the northbound A1 will be closed from the exit slip at the Newark A17/A46 junction to Apleyhead on slip.

Access to and from Elkesley village will be possible via Twyford junction (Dover Bottom B6387, Gamston) and Twyford Lane, Elkesley. A two way traffic signals system will operate on the A1 northbound carriageway throughout the duration of the northbound closures, allowing single lane access to / from the village. A marshal will be present at the A1 / Dover Bottom Junction for the duration of the closures to ensure safe operation of the junction.

For the residents of Forrest Road during the periods of the northbound carriageway closure we will make provision to escort vehicles down the northbound carriageway from Apleyhead Junction. To avoid any delay to your journey could you please call the TSCO approximately 30mins in advance to ensure they are available in time to meet you at Apleyhead.

TSCO 07971 404944

If you have any concerns regarding these works then please contact Nicola Komzolik, Public Liaison Officer, via email nicola.komzolik@carillionplc.com or telephone 07919 691 226.

Regards

Ian Bingham
Project Manager
